Cancer

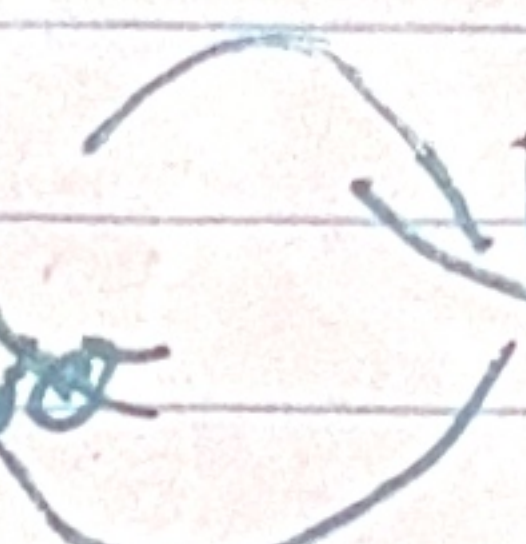

Aries: The people around you, friends & family want to support you. Let them. You have a lot on your plate now, which may lead you to stop prioritizing your own self care. Be kind to yourself.

Taurus Look out for opportunities to be fun, have adventures & indulge your creative side. Mars is entering your romance sector, but may be in conflict w/ Venus on Wednesday, leading to timing / time ^{constraints} w/ rom. Gemini You may discover that you don't really like the people you've been spending time w/ all that much or like society doesn't understand you. It's okay ^{you don't have} to throw out the can. If you've been on a growth / healing journey, the reactions could be mixed. Some people may be jealous of your growth. Watch for people who try to downplay your achievements. Surround yourself with positive vibes. Venus enters your sign on Wednesday, bringing luck w/ love.

Second set - 33:30

Hail To the Thief was released on

Love stories

Leo Creativity makes your world go round, be sure to indulge in something creative today. A new momentary sign on Thursday - an opportunity to celebrate self opposing photo in partnership sector. Your partner may not love (feel threatened by) slayers. Virgo Mingle w/ the people around you, you may find the people you meet are bring a lot of positive energy. Love trouble! Venus ☐ Mars on Wednesday. The more you push & pine, the less your lover will be interested. hind? You may find unexpected good luck in your career from an unexpected source. Meanwhile you are conflicted bc you are yearning for an adventurous love that will help you grow, but right now you are caught up in the details of what that could mean. Scorpio Today is a day to be a student of the world and to be open to what the people around you have to teach you. Break down your old limitations + find new ways of thinking, let go of old burdens + prejudices so you can grow.

~~Scorpio~~ You have struggled to find acceptance
+ now you are being your authentic self.
How brave. ~~Love~~ Love life = wreck. Venus → 8th
(Depth + Intimacy) Wednesday, L Saturn +
Neptune on Friday. Love is erotic
heart-wrenching, unrequited.
Capricorn Change is coming + divorce
is in the air. You + your partner may be
facing domestic problems w/ Saturn + Nep
in the family sector. Venus. Now is
a good time to invite small growth +
change into your life.

Aquarius Everything is new. You are
entering a new era, shedding your
skin so to speak. You are new w/
the New Moon. You may find a new
fling, remember to go w/ the
flow.

Pisces You feel torn between
two ways of living. You will
have both.
