Sag you may feel like an authority figure is bossing you around too much. Try to see things from their perspective and why they do what they do.

Cap Moon 12th (Self Undoing)
Mars → 9th (Ideology) you may be fighting vs your beliefs even though you are questioning them internally

Aquarius Time w/ your friends is what you need Moon → 11th (social) → Jupiter → productivity zone. Seeing friends will revitalize you to get things done

Risces Moon → 10th (reputation)
Sun → 6th - you are looking for recognition for your work ask for it.

Aries Moon → 9th Sun self
expression zone, Mars →
partnership sector. Open
to new viewpoints. More
willing to compromise in
relationships

Taurus Moon → 8th Jupiter →
communication sector

Mars → 6th (work). If you
are feeling confused in matters of love &
family, it's time to talk feelings + chores
Gemini Moon → Partnership, Sun → communication
zone Mars → romance sector

Talk to the people around you,
partners + friends to improve
relationships. Hear them out, don't
pressure them to agree with you

Cancer Moon 6th (Daily routines)
Sun → resource zone. Your focus
on work/practical all
pay off soon. You may meet
someone who shares your
values. Say yes to blind
dates

Leo Moon 5th $\rightarrow$ Self
Expression Mars $\rightarrow$ 3rd (communication)
You are deciding how to present
yourself to the world + matters
of love. Take time to find
yourself + bring assertive mental energy to meet
Virgo Moon $\rightarrow$ 4th (nourishment)
Sun $\rightarrow$ 12th (anxious) Now is the
time for self care, make sure
your basic needs are met

Libra Moon $\rightarrow$ Communication Zone
Chiron $\rightarrow$ partnership realm
Resentment / tension could be building
up in an on going relationship
at yours. Time to come to
an agreement

Scorpio Moon $\rightarrow$ self worth
sector Mars $\rightarrow$ 12th (reclusive)
You may feel insecure, like
you don't measure up to
your peers or like you're
in the middle of a prolonged
dry spell
