• Aries Mercury → CEO = positive, feeling energy. Moon in Aries = more confidence + sense of responsibility → restraint + caution. Don't stop the pot, maintain caution energy. This week, your partner may accidentally hurt your feelings, speak your mind. Venus conj Jupiter in Cancer brings joy + peace + Mars, Uranus, Pluto in harmony = independence. Moon → Taurus on Thursday, may trigger unease or past tension, still maintaining calm vibes. Focus on pleasure + enjoyment in Gemini Mercury helps you give insight into the future, you are feeling joy + confident. Leaving behind negativity, focusing on what brings you joy. Your social energy is magnetic. Everything comes easier, Venus + Jupiter in Cancer bring warmth + intimacy. CANCEL? Joy focused mind set. Moving forward w/ life w/ confidence. Focus on self + home improvement. Your confidence makes you highly attractive, don't be afraid to do something bold.

Leo: You are thriving, but staying
humble. Celebrate w/ loved ones + express
gratitude. Venus + Jup bring
you dreamy affectionate
energy. Complement your partner
Virgo Mercury → Leo brings clear
thinking. Balanced planetary energies
bring innovation + creative thinking.
Slow pace + indecision is good RN.
Libra Mars in Libra → you feel
driven, but pressured to achieve.
Taking on more responsibility. Ven + Jup
= Joy, possible promotion. Priorities
Shift → Relationship takes center stage
Scorpio: Questioning possibility of
true happiness for self.
Positive Shift → Mercury in
harmony w/ Mars. Trust your
gut luck. Maybe join a club
to decrease self isolation.

Sag. Saturn + Neptune → Aries feeling
personal + professional growth
Sat = Responsibility + Structure / Nep = empathy
You are being moved by a powerful
emotional experience, be willing
to risk vulnerability

Capricorn. Venus + Jup = major luck
coming your way. Sat + Neptune →
Aries Strength + Compassion. You
are strengthened by emotional
vulnerability + memories - Bring what
you have learned to a meaningful connection
Aquarius Sat + Neptune inspire discipline
Vision. Venus + Jup bring joy. Mercury
ap. Pluto = clarity, reconsideration
+ tension = pushing you to grow
Your choices affect the world around you
Pisces Others admire you for your
humility. Now is a time to be
reflective → Who are you? Where
do you belong? Trust your
intuition
